**FREE -
Just Turn Up**
Schools groups
- booking
required

Thurs 20, Fri 21 & Sat 22 October

Senate House, University of London, Malet Street, WC1E 7HU

An exciting mix of science and creativity for three days at the heart of the festival, in the beautiful surroundings of University of London's Senate House.

The Discovery Hub features science and creative teams from universities and institutions who offer interactive exhibitions and workshops relating to the theme of Breathe and Wellbeing.
